DANCE WEEKEND

Hands Four Contra Dream Creed

We want Contra Dream to be friendly in so many ways and count on your help.

Please join us in these efforts:

- ✓ Be environmentally friendly by minimizing single-use utensils and partyware
- ✓ Use compost bins - be sure to look for signs
- ✓ Provide reasonably healthy snacks without judging anyone's food choices
- ✓ Reduce printing - we will do our best to have lots of signs posted
- ✓ Be respectful and kind to everyone
- ✓ Help maintain this as a safe environment for everyone to have fun
- ✓ Be aware that strong perfumes, hairspray or other body scents can trigger allergic reaction in others
- ✓ Help keep the place clean

**Let us fill the air with music, dance and smiles.
Enjoy the weekend.**

We will post photos of the event on SVCD social media sites, but we are happy to honor requests to not post or tag images of specific individual dancers.

However, we cannot be responsible for the posting practices of other dancers.
